

SOUTH FORK SAMPLER

A MULTISPORT ADVENTURE RACE

APRIL 27 OR APRIL 28

Produced by:

Benefitting:

Last Update: 10/24/23

OVERVIEW:

The 3rd Annual South Fork Sampler provides an opportunity for individuals and teams to experience the beauty of the South Fork River via human powered means (running, biking, and paddling) to challenge you mentally and physically. The goal of this scavenger hunt style event is to collect as many check points as possible in the shortest amount of time.

The South Fork Sampler will not require true orienteering/navigation skills (utilizing map and compass to plot UTM coordinates) like some other Adventure Races. Each individual/team will be given a map with checkpoint locations/hints at the start of the race. These checkpoints will be scattered on land and water in and around the South Fork River. There is no set course or route, so strategy, planning and environmental awareness are all key to collecting checkpoints as efficiently as possible. Welcome to adventure racing!

EVENT DESCRIPTION:

The Short Course will offer individuals or teams of 2 a chance to dip their toes into the Adventure Racing world by covering up to 20+ miles over the course of the 4-hour time limit. Participants will be tasked with collecting 10+ checkpoints (and bonus point opportunities) throughout the course. The Short Course will be contained within a roughly 1.25mi radius of Race HQ.

The Long Course will challenge individuals or teams of 2 to cover a distance of 30+ miles (20+ land and 10+ water) while collecting up to 20+ check points (and bonus point opportunities) throughout the 8-hour time limit. The Long Course will be contained within a roughly 4mi radius of Race HQ.

- Intro to Adventure Racing Clinic – [Watch HERE](#)
- TENTATIVELY April 18, 2024 – Sampler Preview Event– Link Coming Soon

SCHEDULE: Saturday, April 27, 2024

- 6:30am – Long course Boat/Bike drop off begins
- 6:35am – Projected sunrise
- 7:00am – Participant check in begins
- 7:45am – Long course participant check in ends (participant gear must be set up)
- 7:45am – Long course mandatory participant meeting
- 8:00am – Long course Start
- 9:45am – Short course Boat/Bike drop off and participant check in begins
- 10:45am – Short course participant check in ends (participant gear must be set up)
- 10:45am – Short course mandatory participant meeting
- 11:00am – Short course Start
- 3:00pm – Short course teams must be back to Race HQ
- 3:30pm – Short course awards
- 4:00pm – Long course teams must be back to Race HQ
- 4:00pm – Post Race Party/Social Hour
- 4:30pm – Long course awards

SCORING:

- First, Individuals/Teams will be ranked by the number of checkpoints completed
- Second, Individuals/Teams will be ranked by time
 - Example 1: The individual/team that collects 10 check points in 4 hours is ranked higher than the individual/team that collects 8 checkpoints in 3 hours.
 - Example 2: The individual/team that collects 5 check points in 2:15 hours is ranked higher than the individual/team that collects 5 checkpoints in 2:30 hours.

AWARDS:

The overall Long and Short Course winner's names will be engraved on a one-of-a-kind trophy designed and created by [Chronicle Millworks](#) & be displayed at [Confluence](#) year-round.

- Awards will also be given out to the top 3 M/F/Co-ed Teams and top 3 Solo M/F for each distance

EVENT RULES:

- All solo participants must be 18 years of age or older to participate in either category
- Short/Long Course youth must be 16 years with a participating parent or guardian at all times
- Each individual/team must be fully self-sufficient and is responsible for their safety at all times
- Each individual/team should plan to carry what they need, be prepared to endure changing conditions, and navigate successfully back to Race HQ without assistance
- Each individual/team must abide by all federal, state, county, and local municipality rules at all times
- All roads, trails, parks, and waterways are open to other public use - Sampler participants do not have priority
- Individuals/Teams that are not back to Race HQ before their designated time limit, will result in an automatic DQ
- There is no set route or course and there are no course markings outside of the checkpoints
- Each individual/team will be given one map and one passport (aka: scorecard) at the start of the event
 - Your passport is what you will turn in at the end of the event for scoring purposes
 - You will not receive a replacement if lost or damaged (plan accordingly)
- Altering, tampering, or moving any checkpoints will result in an automatic DQ
- Teammates must always be in visual contact of each other throughout the entire event
- Cell phones and GPS devices are allowed to assist in navigation
- E-bikes or any other non-human powered means of propulsion are not permitted
- Personal Floatation Devices (PFD) must be worn at all times while on the water
- Teams may use a tandem kayak or canoe if preferred - Getting in and out of the watercraft is the sole responsibility of the teams and is a part of adventure racing – Choose and plan accordingly
- Helmets must be worn at all times while riding a bike
- Weather and surroundings can change quickly. Dress and plan accordingly
- Physical awards will not be mailed - They will be available for pickup at Confluence during normal business hours until 5/31/24
- Long Course Participants Specifically:
 - All single-track trail at Rocky Branch Bike Park and/or George Poston Park must be ridden in the stated and marked direction of the trails
 - Service Roads at George Poston Park and Carolina Thread Trail section at Rocky Branch Bike Park can be ridden in either direction - South Fork Trail in McAdenville can be ridden in either direction
- Individuals/teams cannot use, cross, disrupt or impact any private property at any point throughout the event
- Any team withdrawing from the race must notify Human Powered Movement Event Staff at Race HQ or by cell phone (757-630-3409)
- In case of emergency, call 911 first and then notify Human Powered Movement Event Staff at Race HQ or by cell phone at (757-630-3409)
- Teams or competitors who are known to be in violation of any of these rules will be DQ

- Extra set of shoes and clothes (you will get wet during the paddle portion(s))
- Rain gear (if necessary)
- Extra layers (weather can change drastically throughout the day)
- Towel and change of clothes for post-race party

About Human Powered Movement:

Our mission is to inspire more activity in people's lives. We encourage and promote a wide variety of activities and sports to, and for, all ability levels.

- We develop events and challenges to keep people active and accountable
- We create and promote inspirational stories to keep people engaged and motivated
- We lead by example and joyfully enable others along the way

About the Catawba Riverkeeper:

We educate and advocate to protect the Catawba-Wateree River Basin's lakes, rivers, and streams for everyone who depends on and enjoys them.

The Catawba Riverkeeper Foundation (CRF) is a local, community-based group of members and volunteers located throughout the 26-county river basin that dedicates time, talent, and treasure to ensuring the protection of the Catawba-Wateree River. Our goal is to sustain plentiful, clean water for generations to come.

To learn more, visit our [website](#) or follow us on [Instagram](#) for ways you can get involved.

About Confluence:

A confluence is the junction where two rivers come together, where multiple things merge. Confluence is a place where art, music, and recreation come together alongside the river to create that place of convergence for the community. This Public-Private Partnership between the Catawba Riverkeeper and the Town of Cramerton is a place where neighbors and friends can meet to learn, grow, create, move, and find joy, together.

Human Powered Movement is proud to be a founding partner at Confluence.
